Our food and drinks are prepared in food areas where cross contamination may occur. We only declare allergens if they are intentionally added to a product. Food and drink preparation areas, storage areas and cooking equipment (e.g. fryers, grills etc) may be shared and fried items containing different allergens may be cooked in the same oil. Our suppliers may also have allergen cross contamination risks. If you are concerned about possible allergen cross contamination of the food or drink you wish to consume, please ask us for further information on our cooking methods and policies, and we may also be able to show you ingredient packaging indicating any 'may contain' or trace warnings that the supplier has provided.
